Photo above taken in Nyanchonori Village in July 2016: Tea is the main cash crop of village farmers in the greater Keroka area served by HKA in southwestern Kenya, East Africa.

A look back and a look forward at the educational, health, infrastructure and other related improvements over the past decade and in the years ahead

Planned honored guests: We look forward to welcoming Kenyan Ambassador **Robinson Njeru Githae** and his wife **Alice Njeru**.
